

# CANYON VIEW ELEMENTARY SCHOOL FOUNDATION

9225 Adolphia Street ? San Diego, CA 92129 ? 858.484.0981

September 17, 2007

Dear Canyon View Parents and Teachers,

Now that the Canyon View Foundation has been operating for a year and a half, we would like to give you an update on all of the exciting programs that have been funded through the foundation and your generous support! Last year the parent and teacher surveys indicated that we wanted to raise money for computer equipment and a new track, not only did we meet those goals, but we were also able to accomplish much more thanks to corporate donations, community involvement and your generosity!

Over the past year we have held an extremely successful jogathon, raising over \$13,000.00 for the beautiful new running track! The Silent Auction had another phenomenal turnout with your wonderful and generous support, raising over \$16,000.00. These fun and fabulous events combined with direct donations enabled the Canyon View foundation to raise over \$56,000.00 by the end of the 2006-2007 school year! Thanks to the many generous parents and businesses and the hard work of many of the students that made these dreams a reality, we were able to purchase the ALEKS computer/math programs, provides funds for the Impact Teacher, fund LCD projectors for the classrooms and updated cables for the computers, and build our gorgeous new track, along with many more purchases that keep Canyon View a school of excellence. (See financial summary in box)

The Canyon View Foundation, the PTA, and the Canyon View staff are all partners in our children's education. The Foundation will put the money it raises toward what the Canyon View community most needs and wants. We hope that you'll choose to make a direct donation to the Canyon View Foundation, and at the same time please remember that many companies will match your donation.

We are always looking for new and friendly faces to help us out, so please fill in the attached volunteer form if you are interested. We also need your opinion about what your priorities are for your children's school and educational experience. We want to know where you would like to see the monies directed; this is your foundation and your children's school and we will make every attempt to direct the funds towards the programs that you as a community most desire. Please take a moment to fill out the attached volunteer survey and program survey.

Help us continue to make Canyon View the best elementary school experience it can be for your student. Support the Canyon View Foundation with your ideas, time, and financial contributions. We will all come out winners!

Sincerely,

Board of Trustees  
Canyon View Foundation
